Dear Mr. Hessel

On behalf of the East End Cancer Relief Fund, I would like to thank you for the further donations of £100.00 received from Toni Cornford in memory of Charmain. This makes the total amount donated to our fund of £361.19.

This money goes towards patients' care, comfort and equipment at the Cancer Centre at Castle Hill hospital, Cottingham. We are in the process of donating a sum of £10,000 to the hospital from our fund raising and donations of this year.

Yours sincerely

Mary Brisby
